**Announcement: Participation of companies from Kosovo in the
“Web Summit Vancouver 2025” cancelled**

The Ministry of Industry, Entrepreneurship and Trade (MIET), through the Kosovo Investment and Enterprise Support Agency (KIESA), announces that due to the low number of applications from local companies, participation in the “Web Summit Vancouver 2025”, scheduled to take place from 27 to 30 May 2025 in Vancouver, Canada, has been cancelled.

MIET/KIESA informs that, instead of this event, it will support Kosovo-based companies in participating in the “Web Summit Lisbon 2025”, one of the world’s largest technology events, set to take place in November in Lisbon, Portugal.
