01 ref. 46
12.04.2021

Based on Articles 92.4 and 93 (4) of the Constitution of the Republic of Kosovo, Articles 10 and 11 of Law No. 06/L 113 on the organization and functioning of the state administration and independent agencies, Article 46 paragraphs 1 and 2 of Law No. 04/L 240 on anti-dumping and countervailing measures, as well as Article 8.1.4 and Annex 12 of Regulation (GRK) No. 02/2021 on the Areas of Administrative Responsibility of the Office of the Prime Minister and ministries, the Minister of Industry, Entrepreneurship and Trade issues the following:

DECISION

**ON IMPOSING ANTI-DUMPING SAFEGUARD MEASURE ON IMPORT OF
STANDARD BLOCK 19x19x25 FROM SERBIA**

1. **Imposes** the final anti-dumping safeguard measure of four eurocents (0.04€)) per unit on the import of the standard block with dimensions 19x19x25 from Serbia.
2. The measure from point 1 of this decision is imposed to all imports of these products from Serbia.
3. This decision enters into force immediately.

Reasoning

Upon the request of the Association of Manufacturers of Clay based Construction Materials and the proposal of the Commission for the Assessment of Special Duties on Imports, the Department of Trade has begun investigating imports from Serbia and the sale in the market of the Republic of Kosovo of standard blocks of size 19x19x25. The investigation was conducted in accordance with the Law on Anti-Dumping and Countervailing Measures.

The Department has found that the standard block with dimensions 19x19x25, originating from Serbia, is sold at lower prices in the market of the Republic of Kosovo comparing to the domestic market of Serbia. The department has also found that low

prices have affected the growth of imports. This practice directly and increasingly harms local producer.

Subsequently, after consulting the Commission and invoking paragraphs, Article 46 paragraphs 1 and 2 of Law No. 04/L-240 on Anti-dumping and countervailing measures, the Department has recommended the imposition of an anti-dumping as in the enacting clause.

Legal advice: This decision is the final act in the administrative procedure. The dissatisfied party may initiate an administrative dispute at the competent court.
