

ANNEX 1

LIST OF ACTS WHICH MAY CONTAIN NON-HARMONIZED PROVISIONS AND CAUSE UNJUSTIFIED BARRIERS TO TRADE

No.	Title and number of the Technical Regulation	Type of measure/barrier	Measures that will be taken ¹					Time limit for analysis / assessment	Comments	
			A	B	C	D	E			
1. MINISTRY OF INDUSTRY, ENTREPRENEURSHIP AND TRADE										
Quality Infrastructure Division (QID)										
Electrical Equipment/ Mechanical Engineering /PPE ²										
1	Regulation (MTI) No. 01/2017 on Electromagnetic Compatibility	Obligation to use the national language Limitation of the presumption of conformity with harmonized national standards		x				2023	From the detailed examination of this regulation, the following have turned out to be unjustified barriers: - requirement for contact details of the manufacturer and the importer in the	

¹ A Repeal of the entire national act

B Repeal/revision of only those provisions of national legislation that constitute unjustified barriers/measures with the same effect as quantitative restrictions

C The national measure, as under Article 36, is left to remain

D Remains in force subject to the establishment of the mutual recognition clause

E There is no need for additional action because it is approximated with the articles 34-36 TFEU

² The legal basis for the legal acts of Kosovo is Law No. 06/L-041 on Technical Requirements for Products and Conformity Assessment

No.	Title and number of the Technical Regulation	Type of measure/barrier	Measures that will be taken ¹					Time limit for analysis / assessment	Comments
			A	B	C	D	E		
									official language of the Republic of Kosovo, which may represent a more stringent requirement than those in the EU acquis (as very basic and simple information). - presumption of conformity with harmonized national standards It is proposed to review only the respective provisions.
2	Technical Regulation (MTI) No. 06/2018 on Electrical Equipment Designed for Use within certain Voltage Limits	Obligation to use the national language Limitation of the presumption of conformity with harmonized national standards		x				2023	Same as above, it is proposed to review the respective legal provisions.
3	Regulation (MEETIESI) No. 02/2020 on Safety of Machinery							2024	Last version of the EU legal act is transposed. List of standards published in the OG of the RKS.
4	Regulation (MTI) No. 03/2017 on Safety of Lifts	Presumption of conformity with harmonized standards of the RK/incorrect transposition of the EU acquis		x				2023	The detailed analysis showed that the reference only to harmonized national standards creates a barrier for imported EU products.

No.	Title and number of the Technical Regulation	Type of measure/barrier	Measures that will be taken ¹					Time limit for analysis / assessment	Comments
			A	B	C	D	E		
									It is proposed to review the respective article
5	Regulation (MTI) No. 05/2018 on Safety of Lifts in Use	No provision was identified to be in violation of Articles 34-36 of the TFEU						2023	
6	Regulation (MEETIESI) No. 01/2020 on Protective Personal Equipment							2024	Last version of the EU legal act is transposed. List of standards published in the OG of the RKS.
7	Technical Regulation (MTI) No. 01/2021 on Gas Appliances							2024	Last version of the EU legal act is transposed. List of standards published in the OG of the RKS.
8	Regulation (MTI) No. 01/2014 for Principal Requirements and Assessment of Conformity of Household Electrical Appliances for Freezing, Refrigerators and their Combinations, regarding the requirements of Energy Efficiency					x		The analysis was performed in the first half of 2022	Transposition of the repealed EU legal act. MIET and ME to agree about the time and manner of withdrawal

No.	Title and number of the Technical Regulation	Type of measure/barrier	Measures that will be taken ¹					Time limit for analysis / assessment	Comments	
			A	B	C	D	E			
Construction products ³										
9	Administrative Instruction (MTI) No. 05/2020 setting the conditions for placing common cement on the Kosovo Market							2024	Last version of the EU legal act is transposed. List of standards published in the OG of the RKS.	
10	Administrative Instruction (MTI) No. 06/2020 for setting the conditions for placing concrete paving products on the market							2024	Last version of the EU legal act is transposed. List of standards published in the OG of the RKS.	
11	Administrative Instruction (MTI) No. 08/2022 on setting the conditions for placing ready-mixed concrete on the market	No provision was identified to be in violation of Articles 34-36 of the TFEU					x	2023		
12	Administrative Instruction (MTI) No. 08/2020 for setting the conditions for placing aggregates and fillers for concrete on the	No provision was identified to be in violation of Articles 34-36 of the TFEU					x	2023		

³ The legal basis for the legal acts of Kosovo Nr. 06/L-033 on Construction Products

No.	Title and number of the Technical Regulation	Type of measure/barrier	Measures that will be taken ¹					Time limit for analysis / assessment	Comments
			A	B	C	D	E		
	market								
13	Administrative Instruction (MTI) No. 03/2019 on Basic Requirements for Construction Works, the Declaration of Performance of Construction Products, Systems of Assessment and verification of Consistency of Performance of Construction Products, and making the Declaration of Performance available on a Website							2024	Last version of the EU legal act is transposed.
14	Administrative Instruction (MIET) No.05/2021 for Placing on the Market of Terrazzo Tiles							2024	Last version of the EU legal act is transposed. List of standards published in the OG of the RKS.
15	Administrative Instruction (MIET) No. 04/2021 for Placing on the Market of Doors and Windows							2025	Last version of the EU legal act transposed. List of standards published in the OG of the RKS.
16	Administrative Instruction (MIET) No. 02/2022 setting the conditions for placing thermal							2024	Last version of the EU legal act is transposed. List of standards published in the

			A	B	C	D	E		
	insulating Products for Buildings on the Market-Expanded Polystyrene Products								OG of the RKS.
17	Regulation No. 01/2013 on Technical Requirements for Wood Base Panels		x					The analysis was performed in the first half of 2022	National legal act for a group of products Repeal of the legal act is planned.
Explosive Atmospheres (ATEX)⁴									
18	Regulation (MTI) No. 04/2014 Equipment and Protective Systems Intended for Use in Potentially Explosive		x					2025 ⁵	Transposition of the repealed EU legal act. The Act is replaced with Regulation (MIET) No. 02 /2022 on Equipment and Protective Systems

⁴ The legal basis for the legal acts of Kosovo is Law No. 06/L-041 on Technical Requirements for Products and Conformity Assessment. It seems that there is an overlap of competences with the Ministry of Internal Affairs, which implements the legislation according to Law no. 04/L-012 on Fire Protection. Both ministries are resolving this issue.

⁵ The new technical regulation will be the subject of a detailed review in 2025

No.	Title and number of the Technical Regulation	Type of measure/barrier	Measures that will be taken ¹					Time limit for analysis / assessment	Comments
			A	B	C	D	E		
	Atmospheres								Intended for use in Potentially Explosive Atmospheres
Labelling of Consumer Products⁶									
19	Regulation (MTI) No. 04/2012 on crystal glass products	Incorrect transposition of the EU acquis in product labelling		x				Second half of 2022	The detailed analysis resulted in inaccuracies in the labelling of crystal glass that could create unjustified barriers in EU imports. The review of the Annex to the Regulation is foreseen.
20	Regulation (MTI) No. 03/2016 on Labelling of Footwear	Limitation of the scope of the regulation/incorrect transposition of the EU acquis		x				Second half of 2022	The analysis showed that the limitation of application creates the possibility of unjustified barriers for these products. The rewording of the relevant article is foreseen
21	Regulation (MTI) No. 01/2018 on labelling and Marking of Textile Products							2024	Last version of the EU legal act is transposed.
QID and Kosovo Metrology Agency									

⁶ The legal basis for the legal acts of Kosovo is Law No. 06/L-041 on Technical Requirements for Products and Conformity Assessment

84	Administrative Instruction (MAFRD) No.12/2018 laying down Animal and Public Health and Certification Conditions for the Import of Fishery Products, Live Bivalve Molluscs, Echinoderms, Tunicates and Marine Gastropods intended for Human Consumption.							2024	Last version of the EU legal act is transposed.
7. GOVERNMENT – FOOD AND VETERINARY AGENCY									
Food articles/products²⁴									

²⁴ The legal basis for the legal acts of Kosovo is Law No. 03/L-016 on Food. The new law will be prepared by the end of 2022. All sub-legal acts will be reviewed after that. The details of the analysis/assessment of the secondary legislation will be decided following the adoption of the new legislation.

Trade Department									
95.	Law No. 2004/18 On Internal Trade (amended)	<i>Authorization procedure</i> ²⁵ <i>Notification of commencement of business – retail sale of goods</i>	x					2023	No unjustified barriers to trade have been identified in the draft law. The draft law is in compliance with Articles 34-36 of the TFEU, which is of particular importance since this law is a systematic law that contains horizontal rules with respect to the obligation of any trader who once wants to engage in the trade of goods. (2024)
